## LETTER FROM THE DIRECTORS

*Dear friend,*

Since our founding in 2009, Smile On Seniors has progressively built on its reputation as the foremost provider of programming and services for the golden age Jewish population in Phoenix and environs. Through thick and thin we have grown a thriving, vibrant, warm and embracing community for our golden agers. At SOS we understand that our elders are a national treasure; we take joy in giving them the respect and love they so deserve. Our volunteers are enriched by the life experience and wisdom our seniors so generously share. It's a win-win all around. Recently we further grew our reach by unveiling JAMA, a new, cutting edge in-person platform for very active seniors. Our organization is constantly evolving to meet new demands as they arise. Please partner with us and let us know what you would like to see offered!

Do you know of a senior at home or in a community that could benefit from a visit with a new friend? Do you know a senior who would enjoy Shabbat dinners, Holiday celebrations, pre-Holiday workshops, themed lunches, discussions with Rabbi Levi or Chani or the plethora of fun events we host?

Would you like to join our growing ranks of volunteers and enrich your life as you bring happiness to a senior? Interested in hearing more about JAMA? Give us a call today!

Please take a moment to peruse our program guide and take note of which offerings are of interest to you.

At SOS we believe people of all ages should benefit from the joy of community. We can't wait to see you at our upcoming events!

*Rabbi Levi and Chani Levertou*  
Directors
